ANALYSIS OF FEEDBACK RECEIVED FROM THE TEACHERS

- 1) Despite overall satisfaction, some of the teachers have raised alarm regarding the suitability of College environment for teachers as well as Research activity.
- 2) It has been found from some of the teacher's feedback that Research activity is not up to mark and it needs to be pumped up for the academic benefit of the teachers as well as the institution.
- 3) The feedback of some of the teachers manifests that salary is not up to the mark. There is a requirement to hike salary especially for State Aided College Teachers (SACT).
- 4) Some of the teachers are of the opinion that administration needs to be more teacher friendly. A congenial administration is a necessity for the all-round development of the college besides teaching-learning.
- 5) There is a dearth of availability of sufficient numbers elective subjects as revealed in the teacher's feedback.

Action Taken Report:

- 1) Regarding hike in salary it has been communicated to the College authority. They have also limited role as the salary is decided and revised by the Government from time to time.
- 2) The Teachers Council (TC) has taken cognizance of the matters related to teachers feedback and have sought to initiate measures for their quick redressal.
