Under the chairperson of Dr. B. K. Pradhan, Principal, IAAC meeting was held online on 7.12.2020 via Google Meet at 7 p.m. The meeting was attended by the IAAC members. The following are the below mentioned developments:

- Members discussed about the advantages of taking Online class via Google Meet. They opined that students faced initial problem to get habituated with the know how of online class, as most of the students are from remote areas, and many of them are First Generation learners.
- The faculties, however, assured the house of their full cooperation in dealing with the students-centric problems. The students during the last quarter of period had overcome their shakiness and they are getting habitual with the new mode of Online teaching-learning practice. But some students have no android handset, and many live in remote areas where they face network issues. To overcome their problem teachers have uploaded study materials to the website wherefrom they can download it for their benefit.

c) As IAAC has placed immense stress on Online teaching in the previous meeting held on 13.05.20, all the departments have taken Online Test by creating Google form. It is understood that the students feel encouraged for such tests, and this practice of taking Online Test, apart from offline mode of Project and class Test, will continue for the coming days.
