Under the chairmanship of Dr. B.K. Pradhan, Principal Plessey College, LAAC meeting was held on 10.05.2021 at 7 P.M via Google Meet. The meeting was attended by most of the members of LAAC. The following are the below mentioned developments:

- In continuation of the previous meeting's agenda a review of all the steps proposed was duly highlighted and confirmed by the Principal.
- As the practice of taking online class has been normal in the life of the students and teachers, the initial difficulties and obstacles have been overcome by the teachers. Besides taking class, they are uploading study materials to college website for the access of the students.
- Teachers are taking Remedial class for the slow learners and for the absentee students, according to students' suitable time-slot. Consequently the gap among the students' learning graph has been overcome.

d) As per the proposal schedule submitted in the previous meeting Dept. of Education has successfully organized "Pre-Placement Training Collaboration" on May 8, 2021 to inculcate the values among the students in our time of crisis due to pandemic.

IAAC Coordinator Dr. Arun Siddhanta, has given special thanks to the convener of the said webinar, Dr. Dolu Samal. He also requests more connectivity to successfully conduct the coming series of webinars via Google Meet platform in the month of June.

e) The house has also discussed for arranging Special Class, to be taken by faculty of other institutions that are connected with us by signed MOU. And some departments have already arranged such faculty Exchange Programmes Online for the benefit of the students.

f) The institute has introduced, as per the proposal of IAAC to the HEl, Online Practice Exam Free Coaching for the benefit of the students. Exams cover areas such as Arithmetic aptitude, Current affairs, Data Interpretation, G.K, Logical Reasoning, Mathematics, Non-verbal Reasoning, Verbal Reasoning, etc. Students here freely practice and test their performance Online. The students are being benefitted from this Online service, and it adds quality to the institutional aspiration for values and job opportunities by creating them competitive in jobs areas.

As there is no further topic, the meeting ended with the vote of thanks by the Chairman of IAAC, Dr. B.K. Pradhan.
