About Us

"Where the mind is without fear and the head is held high, Where knowledge is free"

Plassey is steeped in layered historical legacy. The word 'Plassey' evokes a sense of irreparable loss suffered by Nawab Siraj-ud-daulah by Lord Clive and his allies in a decisive battle, popularly known as the 'Battle of Plassey' on June 23 in 1757. This undergraduate College was established in 2010 with an eye to the empowerment of the first generation learners of this area.

The college is situated in a remote part of Kaliganj Block in the district of Nadia. It is well connected both by train and bus routes. From the railway station and the bus stand the College is only 5 minutes' and 15 minutes' walk respectively.

The institution has the privilege of offering five courses in both Honours and Program or Pass Categories: English, Bengali, Political Science, History, and Education. Geography and Physical Education are, however, offered exclusively in Pass Categories. The College boasts of about 5000-odd students, and it is flourishing and touching new heights. The academic vision seeks to bring the marginalized and impoverished locals of Plassey within the ambit of modern education and professional priorities in an age of cut-throat competition. Apart from the main building this College boasts of another four-storied building. It eyes to disseminate education in Science and allied disciplines.

The college takes pride in delivering maximum benefit to the students under the most esteemed project of the Honourable Chief Minister, Mamata Banerjee "Kanyashree Prakalpa". We were felicitated as "the Best Institution 2016 at Kaliganj Block under Nadia District" by the Office of the District Magistrate, Nadia under "Kanyashree Prakalpa."
